proposes that the pay may be fixed at 20-2-40 on the analogy of the colleges at Kumbakonam, Rajahmundry and the Engineering College at Madras. Our Instructors in the Central and Maharaja's College are now drawing Rs 30 each (Pay 20 + P.A. 10), and in their cases a start on Rs 32 in the grade proposed has been recommended. (2) Likewise revised grades are proposed for the High Schools, — Rs 20-1-25 for the Bangalore High School, and Rs 15-1-20 for others.

(3) Financially the recommendations involve an average annual excess charge of Rs 544 4/5.

(4) The J. C. suggests that the revised grades may be ordered to come into effect from the beginning of the next official year.

(5) It is a point for consideration whether the J. C. may not be requested to send up

The proposal has originated from the recommendation of the Principal of the Maharaja's College Mysore to give the gymnastic instructor of the college an increase in consideration of his long service of 9 years and efficient work. It is advocated on the ground that similar posts in some colleges of the Madras Presidency carry higher salary. Its financial effect is an addition of Rs 567 1/5 per annum to the permanent recurring expenditure of the State. It is proposed to bring it into effect from the beginning of the next offl year.

An alteration or a general increase in the scale of pay of the gymnastic instructor as a whole to benefit an individual case is financially inadmissible. The particular instructor may, if he has done good work be promoted to

to appointments carrying higher salary and if he is not qualified for such higher appointments he should rest satisfied with what he gets. Difficulty of recruitment or inadequacy of pay is not ~~not~~ put forth as a ground for raising the scale of pay. A general increase in the scale is not justifiable except on these grounds. When the revision of the scale of pay of the Meteorological Dept^{ts} was before Govt, it was observed as follows: Addition to pay for giving promotion to particular individuals on individual consideration should not be proposed when the scale of pay attached to a post is adequate. It is believed that these instructions will have ~~work~~ for a couple of hours in the evening and if so it is a matter for consideration whether any enhanced scale of pay is necessary. A comparison with the pay of similar posts under other administrations does not sufficiently help the proposal. This is a question of demand & supply

and it also depends ^{upon} how much
can particular administrations
~~for~~ afford to spend in the
direction.

Inspector-General of Education in Mysore.

To

C.S. Balasundaram Iyer, Esq., B.A.,
 Secretary to the Government of
 His Highness the Maharaja of Mysore,
 Departments of Education and Agriculture,
 Bangalore.

SIR,

I have the honour to inform you that the pay of the Gymnastic Instructors of the Central College and the Maharaja's College has been fixed at Rs.20/- per mensem with a personal allowance of Rs.4 rising to Rs.10 by annual increments of Rs.2, as ordered in Government Orders No. Fl.461-2/Edn.431-07-2 dated 27th July 1908 and No.4863-4/Edn.56-08-2 dated 24th November 1908. The Principal of the Maharaja's College, Mysore, recommends strongly that some increase of pay may be granted to the Gymnastic Instructor, in consideration of his long service of 9 years and the efficient work done by him. The pay fixed for the instructor in the Madras Presidency College is Rs.60 to Rs.80 and that in the Colleges at Kumbakonam, Rajahmundry and the Training Colleges at Saidapet and Rajahmundry and the Engineering College at Madras is Rs.20-2-40. I therefore recommend that the pay of the Instructor of the Central and Maharaja's Colleges and the Training College, Mysore may be fixed at Rs.20-2-40 and the Instructors of the Central and the Maharaja's Colleges who are now drawing Rs.30 may be started on Rs.32 each. The present average cost of the pay of ^{the} 12 Gymnastic Instructors amounts to Rs.221 4/15 a month and the total average cost as proposed will be Rs.266 2/3 a month. The excess is Rs.45 2/5 a month or Rs.544 4/5 a year. The revised grades may come into effect from the beginning of the next official year.
